Hi Russ

I got a request from the system to approve you, but I think you may have entered my email address into the request form incorrectly. It should be perkins.brandon@epa.gov

I think you may have entered brandon.perkins@epa.gov. Are you able to resubmit your request for a user account?

Below are the instructions for accessing the document sharing web page

### **Registration Process for inviting and adding non-EPA members to an extranet Quickr site (EPAQPX)**

**Before accessing an EPA extranet Quickr non-EPA persons will need to register** at the following website <https://epaqpx.rtp.epa.gov> (click - "New Extranet User Registration"). You will need to list me (Brandon Perkins) as the sponsor on the registration form.

Thanks, Brandon.

The link will be fine. After hearing it was nearly done I just wanted to make sure and see the report as soon as it was complete. I appreciate it.

Regards, Russ

Hi Russ

I received your FOIA for the PA report for Flint Hills. It is now publically available. I can give you a link to our document sharing site for you to download it electronically or I can send a hard copy to you. What is the best way to get it to you?

Hello Brandon,

Have you decided when you will be investigating in Fairbanks and North Pole yet?

And have you decided if North Pole's sulfolane problems will qualify for a PA yet?

I am still trying to determine when data may be available and if not to plan to instead initiate private sampling and analyses. Not sure about yours but my phone keeps ringing from residents with concerns from both Fairbanks and North Pole.

Thanks for all of your efforts on behalf of our environment.

Regards, Russ
